

Shannon Osborne

Shannon Osborne and his wife, Donna, moved to Lake Country in 2010 and have thoroughly enjoyed their time at the Lake. He served in the US Navy during the Vietnam era aboard a guided-missile destroyer. He completed his undergraduate degree at Carson Newman University, earning a BS in Business Administration and getting an MBA in Management at East Tennessee State University. After graduation, Osborne worked for BASF Corporation for 38 years before retiring. Osborne stated he enjoyed the decision-making, varied aspects of multi-cultures, and quickly changing international business environments. Osborne is the past President of the Greene and Putnam Rotary Club, Chair of the Greensboro First United Methodist Church Council, and Trustee of Men of Lake Oconee.
