

## **Sandra Meng**

Sandra Meng joined the OPAS staff as Marketing and Education Coordinator in 2016 after several years serving as a dedicated volunteer to OPAS. Sandra has an extensive background in fine arts. Sandra is instrumental in coordinating our arts education programs with the area schools, ensuring they are informed about the scheduled programs, assisting with study guide implementation, and following up with the schools on the Teacher/Student Surveys post the program.

When Sandra is not involved with an ongoing Arts or Educational program with OPAS, she enjoys acting in the area community theatres, The Lake Country Players, and the Putnam Alliance for the Performing Arts, and singing with the local community chorus, The Lake Country Singers.
