

Wendy O'Toole

O'Toole, a native New Yorker, moved to Georgia from California. Her volunteerism has ranged from serving on Reynolds Board of Advisors and Events Committee to presiding over the local chapter of PEO, a nationwide philanthropic organization. Notably, while President of the St. Mary's Good Samaritan Auxiliary, she was instrumental in implementing the "Love Lights" campaign. Currently she serves on the Foundation Board of the hospital. As members of OPAS from its inception, Wendy and husband Dick, have been generous supporters. Due to being surrounded by the arts while living in New York, Wendy says, "It is essential to me that residents have some of these opportunities at the lake."
